## **Notes from discussion of Collaborative Initiatives**

### **Continue**

- Districts do the visits differently
- Link to the lateral entry modules are asking for a password.
- Lateral entry modules could also come from the NCEES system
- Mr. Evans will check into the link for the lateral entry classes and how to coordinate with NCEES.
- It would be beneficial to talk more about what we are doing for Lateral Entry
- Chowan courses link are still working
- Collaborative Modules need up dated
- Keys (flash drive) were not purchased last year because of budget.
- Logo comments – what did this reference ... not for sure but may have been the spring conference

### **Discontinue**

- No comments

### **Add**

- To look at the best practices from the Teacher Talk coaches go to the Support Coach page of the main web site and you can see what has been submitted.
- HR/Legislative issue is more just a discussion need
- This could be a part of the open forum
- Showed map for Mursion locations. More information to come as we learn about the grant approval.
- Committees – good idea and may be necessary to get more done and collect information
